### **HEARTSTOPPER VOL. 1 by ALICE OSEMAN**

Heartstopper follows a British Year 10 student named Charlie Spring and a Year 11 in his form called Nick Nelson. The story develops and follows their relationship as they discover more about themselves and each other. It presents fun and serious moments in a way that makes it easy to read, making it one of my favourite books!

### **MURDER ON THE ORIENT EXPRESS by AGATHA CHRISTIE**

Murder on the Orient Express is one of Agatha Christie's most famous books. It follows the famous detective Hercule Poirot as he takes a ride on the Orient Express, only for a passenger to be murdered and the train to get stuck in a snowdrift. It is then up to the detective to interview the passengers, gather the alibis, and find the killer. This story is very interesting and exciting, making the reader have to really think about every character, which makes it one of my favourite books!
