

My mosque stands proud and tall to guard the road.
The doors creak in a spooky way.

We come to mosque but first we have to put on our other sock!
When we are at mosque we feel comforted and peaceful.

We learn Arabic, we learn Arabic, we learn Arabic.
The magnificent, marvellous mosque.

The mosque stands proud and tall over all of us.

The mosque is as brave as a lion.

What I do at mosque...
