Hackney NQT Appropriate Body

Available to all primary, secondary and academy settings

High quality on and offline guidance, resources and training for you, induction tutors and mentors to ensure you meet all of your statutory requirements. A paperless online assessment management system, available to schools in Hackney and elsewhere. This service is available to all primary, secondary and academy settings.

THE SERVICE INCLUDES

- statutory functions
- online support, resources and assessment
- induction tutor training and networks
- quality assurance of schools induction processes
- face to face support – this can incur an additional charge for teachers who require additional support during induction

This service is available on an academic year or termly basis.

Primary: <https://www.hackneyservicesforschools.co.uk/categories/nqt-primary>

Secondary: <https://www.hackneyservicesforschools.co.uk/extranet/nqt-secondary>

To then register their details for Hackney LA to act as the Appropriate Body, you go to: <https://hackney.nqtmanager.com>

TRAINING AVAILABLE

ROLE OF INDUCTION TUTOR AND MENTORS

Thursday, 1 October 2020, 4pm – 5:30pm

VENUE: Tomlinson Centre, Hackney

This session is for NQT induction tutors and mentors. We ask that both new and experienced mentors attend this session at which trainers will explain how mentors can best support NQTs throughout the year.

As Appropriate Body we will present on statutory requirements and the assessments that schools are required to submit. If necessary, this session will move to an on-line platform due to social distancing issues.
