Hackney Learning Trust’s Continuing Professional Development programme for 2019–2020 takes place at The Tomlinson Centre and various centres.

Opened in April 2009, this £4.5m purpose-built centre has eleven rooms over two floors and a cutting edge IT Centre.
Dear Colleagues,

Welcome to Hackney Learning Trust’s Professional Development offer for Early Years settings, Childminders and Early Years Teams in schools. Our vision for all is that participation in continuous professional development activities will be a central and established part of a career pathway in the London Borough of Hackney.

Here we nurture a culture of learning in order that individual engagement will contribute to the development of the whole profession; we celebrate learning, relish challenge, and reflect critically on our practice as a profession. Our Early Years value is that we are children and learner focused. We keep their welfare and achievement at the centre of what we do. We must therefore ensure that our strategy fulfils all of these criteria.

We recognise that practitioners and their settings face challenges; we believe that growing our learning culture is not a luxury, but more essential than ever. Professional development that is based on a shared learning culture is the key to better quality and impact for all settings and professionals. Working together with all providers, we can make it happen. We are working with the wide range of settings and others in Hackney to translate this vision into a reality.

We want every member of staff to have in place a comprehensive professional development pathway, which school and in borough activities support. To guide future progress in growing this learning culture, we have developed a framework of training available in Hackney.

I hope you find this booklet invaluable in your professional development planning. I wish you well in your work during the year ahead and during your career in the invaluable field of education.

Best wishes

Annie Gammon
Director of Education.

How do Children Learn?

Early Years Quality Improvement Team

Half day course
Tuesday, 30 June 2020, 9.30am - 12.30pm

Venue: The Tomlinson Centre

Who should attend?
Practitioners working in private, voluntary, independent, maintained settings and childminders with children aged 0-5.

Course overview
This course will unpick what is meant by the Characteristics of Effective Learning and examine how young children learn, and how we create the conditions to promote children's learning.

The focus will be on how we encourage children to play and explore, to get involved, to concentrate and persevere, whilst being creative and thinking critically. The Characteristics impact on all aspects of children's learning showing 'how children learn' is as important, as 'what children learn'. We will look at the Leuven scales as a measure of children's engagement and involvement, and the impact of sensitive adult interactions.

Cost: £25 per delegate.

Supporting the Development of Babies

Early Years Quality Improvement Team

Half day course
Thursday, 2 July 2020, 9.30am - 12.30pm

Venue: The Ann Tayler Children's Centre

Who should attend?
Practitioners working in private, voluntary, independent, maintained settings and childminders with children aged 0-5.

Course overview
This course includes information and resources about how early development unfolds and what you can do to support your child's healthy growth and learning. The first three years of life are a period of incredible growth in all areas of a baby's development. A new-born's brain is about 25% of its approximate adult weight, but by age 3 it has grown dramatically producing billions of cells and hundreds of trillions of connections. Between birth and age 3, babies learn to give and receive love, to roll, crawl, stand, walk and run, to talk, joke, rhyme and sing. Each child develops at their own pace and in their own way.

Cost: £25 per delegate.
Tuning into Boys Interest

Early Years Quality Improvement Team
