

Services for Schools

Your Voice, Our Roadmap

The education landscape is ever-changing, but our direction is set by **you**.

We rely on your frontline expertise to tell us what products and services you need and provide feedback so that we can improve our services.

- Your insights don't just inform our services; they define them
- Your voice ensures our services remain relevant, effective, and impactful for your schools.

Customer Satisfaction Survey for 2025/26

24

JULY 2026

Your participation is vital to ensure we are delivering the right support for your school.

Please check your inbox for the invitation link. Responses remain open until the 24th of July.

Driving Real Change

Response rates were lower than expected in 2025. We need a stronger collective voice this year.

Your feedback identifies what we're doing right, where we can improve, and most importantly, what products or support you need.

A New Look for Next Term

<https://www.hackneyservicesforschools.co.uk/>

Updated Look

A fresh update to align with the new Services for Schools branding. Clean, modern, and professional.

No New Learning

The way you access and use the website will stay exactly the same. No new learning required.

More Content

We'll be adding a variety of educational and informational content to the website.

Questions, Contact and Support

We are here to discuss your feedback, concerns, or any other matters regarding our services.
