

## Layout of Hackney Agreed Syllabus

The structure of our syllabus reflects our responses to three key questions about Religious Education:

- **Why** is it important to teach RE?

Religious Education is an important part of any school's curriculum. Experiencing effective Religious Education can not only contribute hugely to pupils' academic experience, but will also have a major impact on their self-development and citizenship. It is therefore paramount that Religious Education is taught well. [View web resources](#)

- **What** is effective RE?

Religious Education can take many forms, as there is a huge variety of ways that all our pupils can access it, learn and benefit. Religious Education for our Hackney pupils should be a combination of several key elements. [View web resources](#)

- **How** can we teach RE in Hackney?

We have included some resources, pupil work samples, competition winners, schemes of learning, pedagogy guidance and tips and ideas in a supplementary section to communicate, celebrate and inspire some of the best Religious Education in Hackney.
